Mr. Ed Putnam, Assistant Director  
Publicly Funded Remediation Element  
New Jersey Department of Environmental Protection  
P.O. Box 413  
401 East State Street  
Trenton, New Jersey 08625-0413

Dear Mr. Putnam:

The Removal Action Branch has received your request of October 16, 2009 for a CERCLA removal action at the Byram Township Regional Groundwater Contamination Site, located in Byram Township, Sussex County, New Jersey.

A site visit was conducted on October 28, 2009 with Frank Sorce and several other NJDEP technical representatives. A sampling event is being planned as part of the removal assessment. We will notify your office once a determination has been made as to whether the Site warrants a removal action. Should you have any questions or require further information please contact Nick Magriples, the On-Scene Coordinator for the Removal Action Branch, at 732-906-6930.

Sincerely,

  
Joseph Rotola, Chief  
Removal Action Branch
